

Krix Atomix Compact Bookshelf Speaker.

Krix Atomix Series One Bookshelf Speaker Description.

The Krix Atomix bookshelf speaker is designed to be **small in size yet big in sound**, delivering detailed accuracy and stunning clarity. The Krix Atomix are the ideal all-rounder, versatile for **any application**, from compact stereo speakers, front and rear channel speakers in your surround sound system, use in a second zone, or even in a desktop environment. The two-way bass reflex design features a 26mm ring radiator tweeter and a 100mm diameter bass driver. The Krix Atomix is a little speaker that will offer a **dynamic experience**.

Though suitable for many different applications, the Krix Atomix is part of the **Krix Series One** range of home theatre speakers, which also includes the Rhythmix floor-standing speakers, Sonix centre front speaker, and Seismix Cube active subwoofer. If you were using the Krix Atomix in a home theatre application, these other Series One speakers would be perfect sonic and aesthetic match for your Krix Atomix speakers.
